Re: Equitable Distribution Program (EDP)

Dear Mr. Calderon:

The Internal Services Departments (ISD) / Procurement Management Services / Professional Services Section is pleased to inform you that your EDP application is approved. Your firm will be placed in EDP rotation effective April 20, 2012 in all technical categories for which your firm is certified per attached report. Your firm will remain an active EDP participant as long as you continue to meet the program eligibility requirements as established by the Board of County Commissioners and abide by the policies and procedures of the program.

Please be reminded that EDP firm's are automatically inactivated from the program if their Pre Qualification Certification lapses. Also, as addressed in the EDP Workshop, EDP firms can be suspended from the program for non-compliances including but not limited to failure to maintain the program eligibility requirements, utilizing sub consultants not selected through the program procedures and failure to satisfactorily perform under the terms of the service orders in a timely and competent manner.

When your firm is selected to perform an EDP work assignment, you will be notified and required to submit the EDP Professional Service Agreement (PSA) documents including the insurance requirements within ten calendar days. No work can be performed under the program until these documents are submitted and approved by Miami-Dade County.

Should you have any questions or need additional information, please contact, Elizabeth "Biba" Zabowski, EDP Program Coordinator at (305) 375-2824 or [biba@miamidade.gov](mailto:biba@miamidade.gov).

On behalf of Miami-Dade County, I thank you for your cooperation and we look forward to your participation in the Equitable Distribution Program.

Sincerely,

A handwritten signature in blue ink that reads "Luisa M. Millan".
